

## We've Got You Listed!

Editorial Staff

ChiroWeb.com is now getting more than 330,000 unique visits every month. These visits result in thousands of searches for doctors of chiropractic in the ChiroLocator referral directory. As subscribers to *Dynamic Chiropractic*, DCs are automatically listed on the ChiroLocator referral directory.

You will want to check your basic listing to ensure that all of your information is correct. To do so, please go to [www.chiroweb.com/locator](http://www.chiroweb.com/locator) and enter your name in the name field (last name, first initial). Please note that this information is being presented on a referral bases to thousands of inquiries on a constant basis; therefore, it is imperative that your correct information be listed. Should there be any errors in your information, contact us at [circulation@mpamedia.com](mailto:circulation@mpamedia.com) with the correct information.

Some doctors who have enhanced listings on the ChiroLocator, available for a small fee, which include a patient email newsletter program and your own practice website. For more information on these marketing services, please call toll free at 888-352-8180.
