

## ChiroWeb Goes Wireless

Editorial Staff

For those of you who just can't get enough of ChiroWeb at home or in the office, our site has been modified too allow viewing via wireless devices. If you have a cellular phone, PDA (personal digital assistant) or other wireless connection to the internet, you can now access ChiroWeb using the following link:

<http://www.chiroweb.com/mobile/index.wml>

This link is valid for wireless devices only. The link will not function if you attempt to access it from your PC.

ChiroWeb is available for wireless viewing 24 hours a day, seven days a week. As the standards of technology improve, we will continue upgrading and expanding our site to make it accessible to more audiences.
