At the International Chiropractors Association's 75th Anniversary Jubilee celebration in Washington, D.C., Foot Levelers, Inc., was recognized and honored for its half-century of service to the chiropractic profession. The Roanoke, Virginia company turns 50 in 2002.

Foot Levelers' President Kent Greenawalt was given an inscribed silver tray by Dr. Bob Hoffman, the former ICA former president, and Dr. Elliott Foster, convention chairman. The tray's inscription reads: "The International Chiropractors Association proudly salutes Foot Levelers as they celebrate 50 years of service to the chiropractic profession and the public."

"Over the last 50 years, chiropractic has come to the forefront of natural healing, and Foot Levelers has been there every step, with clinical support, philosophical support, and financial support," pronounced Dr. Hoffman. "Thank you, Foot Levelers, for being one of chiropractic's best friends."

"We are honored and thrilled that the ICA - one of chiropractic's most dynamic and prestigious organizations - took time from their packed convention schedule to recognize us with this great honor," said Kent Greenawalt. Chiropractors are truly the most dedicated health care professionals in the world, and we are blessed to be able to work with so many of them on a daily basis."
