

ChiroMaster 2000 Awards Contest Coming Soon

Editorial Staff

This summer, *Dynamic Chiropractic* will kick off its annual ChiroMaster website awards contest to showcase the best and most creative individual chiropractic sites on the Web. As in previous years, sites will be judged for their ease of use, functionality, quality (and quantity) of chiropractic-related information, and their ability to tell the chiropractic story in a way that is interesting and insightful.

All doctors of chiropractic, including previous winners of the ChiroMaster award, are encouraged to submit their site for inclusion in the contest. Watch for a more comprehensive article on the ChiroMaster awards in an upcoming issue of *Dynamic Chiropractic*.
