

## Last Chance for OVCA Nominations

Editorial Staff

October 15 is the last day to nominate leaders of "Our Virtual Chiropractic Association" (OVCA). This is our chance to nominate a "dream team" of chiropractic leaders that would direct a united U.S. national chiropractic association if we could create one. (See "Choosing Our Leaders: Nominations Are Now Open for 'Our Virtual Chiropractic Association'" [<http://www.chiroweb.com/archives/18/21/06.html>] and "Virtual Unity: Your Chance to Design Our Future" [<http://www.chiroweb.com/archives/18/21/14.html>] - both published in the October 2, 2000 issue of Dynamic Chiropractic.)

Make your nominations:

1. On line - Go to <http://www.chiroweb.com/ovca/nominations> and use the electronic nominating form to enter the name of the person you are nominating and why they should lead chiropractic.
2. By fax - Make your nomination by fax, providing the name of the person you are nominating and why they should lead the chiropractic profession. Please fax your nomination to (714) 536-1482.

Voting on the nominees will take place November 15 to December 15. As this effort could lay the groundwork for a new era in our profession, please be sure to vote and let your voice be heard.
