

## You Know You've Joined the Wrong PPO When

...

Editorial Staff

1. All contracts require referral from a physical therapist.
2. When you call to inquire about payment you are put on hold ... for three days.
3. Your claims are being reviewed by Stephen Barrett, MD, William Jarvis, PhD, and other members of the National Council Against Health Fraud.
4. You're paying the PPO \$2,000 each year to be a member and you still haven't gotten your first patient.
5. You discover in the fine print the name of the director -- Murray Katz, MD.
