### Palmer Davenport Implements \$2.5 Million Renovation Project

A \$2.5 million project at Palmer Davenport is underway to make repairs and improvements on classrooms, offices, and parking facilities. Currently one classroom has been remodeled and two parking lots have been paved. The roofs of the Institute for Graduate Studies and Research, and the garage/warehouse building behind the mansion are also in the process of being replaced. Tom Tiemeier, executive director of business affairs, commented that more extensive renovations on either the amphitheater or the theater will probably start next spring/summer. Said Mr. Tiemeier,

"With the Centennial celebration coming up in '95, we wanted to get started on some of the changes we need to make around campus."

#### DCs Treat Ladies' Pro Bowler Tour Competitors

Dr. Edel Diaz, Dr. Steve Seagal, and Dr. Frank DiIorio were the DCs treating competitors in the Ladies' Pro Bowler Tour during its stop at the Cherry Bowl in Rockford, Illinois on October 27-November 1, 1992. The final round was broadcast on ESPN, and chiropractic was mentioned as an integral part of the tour. The DCs treated many of the 76 competitors, and three of the five finalists (including the winner of the tournament) received chiropractic care on a regular basis throughout the whole tournament.
