THE MERCY DOCUMENT IS ON THE WAY

Editorial Staff

The Mercy document, Guidelines for Chiropractic Quality Assurance and Practice Parameters, is at the printer and is expected to be mailed early in October.

Once again, a special "thank you" to the following organizations for making it possible for every chiropractor in the United States to get a copy:

*NCMIC*

*Foot Levelers, Inc.*

*OUM Group*

*California Chiropractic Association*

*Leander Health Technologies*

*Activator Methods*

*Motion Palpation Institute*

*Parker Chiropractic Resource Foundation*

*The Practice Resource Group*

*Synergy*

*Visual Odyssey*

Due to the tremendous number of phone calls concerning the release date of the document, Dynamic Chiropractic will publish an approximate date when you should receive your copy of the Mercy Guidelines. Please be watching for that announcement.
