

IFC Announces Administration Changes

Editorial Staff

The Institut Francais de Chiropractie (IFC), as part of a project to seek accreditation by the European Chiropractic Council on Education (ECCE), has recently changed its administration.

Mr. Charles Martin, formerly academic dean, has been named chief administrative officer in charge of public relations. He has been with the IFC for 10 years, and replaces Mr. Michel Martin, who recently retired.

Christophe Cordier, D.C., a graduate of NCC who has been teaching at IFC since 1985, will be the new academic dean. Mrs. Michele Chevolot is the head secretary for administrative affairs, Ms. Nolwenn Renoux is secretary of academic affairs, and Ms. Marie-Helene D'Erceville is the librarian secretary.

The new academic board officers, and their respective committees are as follows:

Jean-Dominique Leullier, D.C. Chairman, Academic Board and Educational Spirit Committee

Claude Archambault, D.C. Chairman, Prospective Committee

Ginette Bonjour, D.C. Chairman, Finances Committee

Jean-Robert Corboz, D.C. Chairman, Staff and Administration Committee

Philippe Delit, D.C. Chairman, Clinic Committee

Charles Nelson, D.C. Chairman, Postgraduate Committee

Maxime Pietri, D.C. Chairman, Curriculum, Laboratories, Library and Equipment Committee

Mr. Claude Perret Chairman, Research Committee

Mr. Charles Martin Administrative Officer

Christophe Cordier, D.C. Academic Dean

Mrs. Michele Chevolot Administrative Secretary

Ms. Nolwenn Renoux Academic Secretary

Mr. Lionel Yvroux Student Representative

Mr. Guillaume Lemelle Student Representative

Belgian Chiropractic Association Holds Pediatric Seminar

The Belgian Chiropractic Association (BCA) held a seminar, "A Learning Adventure in Pediatrics, Children, the Challenge" on October 3-4 in Brussels. Attendants represented 10 different countries.
