

International Region DCs Can Make the News

Editorial Staff

We are very excited about our plans for our new International Forum. We feel that the Forum will help fulfill a need to better share and exchange new thoughts, experiences, and ideas from doctors of chiropractic in many overseas countries.

Sometimes it is difficult to share news because of communication barriers that often accompany national boundaries. It is our goal to help "tear down" those boundaries.

"DC" believes that The International Forum can help alleviate some of the obstacles that limit doctors from sharing their news. Perhaps you are a doctor who has experienced some particular success in some legislative matter, or would like to share a special case history or any other subject you might have to announce to the other DCs in The International Forum region. Simply write us your current news or article and send it to:

*Dynamic Chiropractic
c/o International Forums
P.O. Box 6100
Huntington Beach, CA 92615
U.S.A.*

Packages and Express Mail can be sent to:

*Dynamic Chiropractic
c/o International Forums
21541 Surveyor Circle
Huntington Beach, CA 92646*

When possible, please include a recent color photograph of yourself, or of those to whom the article might apply. Articles should be type-written, double-spaced, and no longer than three pages. A curriculum vitae, or description of your background would also be greatly appreciated.

For your added convenience, we will accept FAXED articles at (714) 536-1482. If you need additional information, please call us at (714) 960-6577. We will be looking forward to hearing from any and all doctors of chiropractic in our new International Forum region. After all, it's your paper, and it's your profession!
