Nutritional and herbal supplements, homeopathic remedies and aromatherapy products

You've made the decision to become a doctor of chiropractic; invested money in your education, the perfect practice location, staffing, etc. Now what? Where can you go to find information on products, education and other goods and services to help grow your practice?

"What Are My Choices?" is a monthly column that gives you the information you need, straight from the experts: the companies themselves. This column focuses on companies that provide nutritional and herbal supplements, homeopathic remedies and aromatherapy products. Consider the wide range of choices available:
