

## Pro-Med, Bio2 Open Stores on ChiroMall

Editorial Staff

Two new e-commerce stores are now open on ChiroMall: Pro-Med Products and Bio2. The Pro-Med store offers a complete line of back supports, neck supports, support pillows and support braces for chiropractic patients. The Bio2 store features advanced skin care products for chiropractic patients, including cleansers, hydrators, moisturizers and revitalizers. Bio2's "advanced" skin care products contain Amino-Plex®, which provides more moisture for the skin.

Pro-Med is currently offering special online discounts on two of its products; the complete list of ChiroMall Online Specials can be found on page 51 of this issue. (Because of certain restrictions, we are not able to reveal the actual prices, only the percentage you will save over the retail price.) The ChiroMall Online Specials page will appear in the first issue of the month (May 6, June 3, July 1, etc.) and will be listed in the "Features" section on the front page of those issues. If you'd rather not wait, you can access the same information at [www.ChiroMall.com/specials](http://www.ChiroMall.com/specials) (no user ID or password required for this page). Remember, new items will be listed every month, and previously discounted items will no longer be available at those special prices.

ChiroMall now features 10 online stores offering more than 600 products exclusively for doctors of chiropractic. ChiroMall protects professional prices by limiting access to DCs who have their unique user ID and password. Your unique user ID and password can be found on the front page of the April 8 issue that was mailed just a few weeks ago.

If you don't know your unique user ID and password, you can request them by sending an e-mail to [listservices@mpamedia.com](mailto:listservices@mpamedia.com). Please provide your full name, address, license number and the state that issued your license.

Companies interested in opening an online store on ChiroMall should contact Angelique Dolan, marketing coordinator, at 800-324-7758 or [adolan@mpamedia.com](mailto:adolan@mpamedia.com).
