

Oklahaven Announces Winners of 2009 "Have a Heart" Campaign

Oklahaven Children's Chiropractic Center is proud to announce the winners of the "Golden Heart" awards. [Cleveland Chiropractic College](#) in Kansas City and Fisher Chiropractic Center in Miami were the top participants in the 10th Annual Have-A-Heart Campaign.

This worldwide event is held [every February during Valentine's week](#) to benefit Oklahaven and to increase the awareness of the healing power of chiropractic for the children. The Golden Heart award is given to the clinic and college that sell the most hearts during the event.

"I thank the chiropractic profession, [which] has enabled us to continue our mission of restoring health to children and to spread the message of hope to searching parents. With everyone's help, we are making a real difference in the lives of children throughout the world," said Dr. Bobby Doscher, director and CEO of Oklahaven.

Founded in 1962, Oklahaven Children's Chiropractic Center is a 501(c)3 nonprofit, charitable institution dedicated to making sick children well through chiropractic. The center specializes in the treatment of neurologically disorganized children, including failure to thrive, cerebral palsy, development delays, ADHD, and the autism spectrum.

Children throughout the world come to Oklahaven to seek chiropractic care. The center continues its work through the generosity of individuals without, federal, state or United Way funding. To learn more about Oklahaven or to make a donation, [click here](#).
