

DC Changes Office Location

Editorial Staff

Reflecting its consistent, steady growth, MPA Media, publisher of *Dynamic Chiropractic*, has moved to larger headquarters as of late March.

The new headquarters provides over 10,000 square feet of operating space in the South Coast Metro area of Santa Ana, Calif. The facility is the third since the company began in 1978 and the first to be located outside the city of Huntington Beach, Calif. It features additional space for production of our print publications as well as greater flexibilities related to our growing portfolio of electronic media offerings.

The relocation took place March 25-27; all print and online activities continue uninterrupted. All of our e-mail addresses and phone numbers remain the same; our new fax number is 714-850-0153.

Our new mailing address is:

Our new street address is:
