

Your Ammunition Is Here!

Editorial Staff

A study published recently in the British Medical Journal tells your patients why they should think twice before allowing their children to be put on antibiotics for ear infections. Order your reprint for only \$5 each. Make your checks payable to the Chiropractic Order Desk, 412 Olive Ave., Ste 208, Huntington Beach, California, 92648 (Calif. residents must include appropriate sales tax). Or, you may order by calling 714-230-3159.
