### Medi Rub Massagers Store

Medi Rub's store offers the Medi Rub Body Massager to doctors of chiropractic to relieve stress and tension, and ease body aches and pains in their patients. The Medi Rub Foot Massager is also designed to relieve pains and tiredness in the feet and lower legs, and is widely used by people with diabetes and neuropathy because of increased blood circulation.

### The Family Practice Systems Library

Many doctors agree: The Family Practice Systems Library is the most complete practice management system on the market. Here's what one doctor has to say: "Since implementing the New Patient and Financial systems of the Library, we have signed up 35 new patients on Active Life Plans in the last 30 days," noted Dr. Kevin Ross.

According to The Family Practice, sponsors of the Systems Library, "There has never been a more effective, easy to implement, complete chiropractic training tool. The Systems Library is your catalyst for personal freedom and practice growth. Get the skills, knowledge, tools, forms and confidence to grow."
